

Capricorn BESS Project Drop-In Sessions

EVENT DETAILS

Potentia Energy welcomes you to join our team to learn more about the proposed Capricorn Battery Energy Storage System (BESS) Project.

As we have undergone changes in the development assessment process, we understand you may have questions for us. We will have information ready on key topics, and experts available on the day to answer your questions.

The Drop-In session will be family friendly with food and drinks available – all are welcome!

We look forward to seeing you there.

Location: Bouldercombe Sport and Recreation Complex
52496 Burnett Hwy, Bouldercombe

RSVP: Email capricornbess@potentiaenergy.com.au
or simply drop-in

Session 1

Date: Tuesday, 2nd June 2026

Time: 5.00-7.00 pm

Session 2

Date: Wednesday, 3rd June 2026

Time: 9.00-11.00am
