

# Girgarre Solar Farm – Monthly Project Update

**January 2024**

## **Construction Update**

Construction works onsite at the Girgarre Solar Farm are progressing well. Piling, which forms part of the mounting structure is progressing. Construction of foundations for power stations and substation are continuing, and the project will be working towards installing the solar PV modules in the next few months.

Light and heavy vehicles continue to transit Morrissey Road, Watson Road, Winter Road, Mason Road as goods and personnel are transported to site.

During the upcoming weeks, Heavy Rigid trucks with containers of solar PV modules will be transiting to and from site on the Girgarre-Rushworth Road (C348) and the Midland Highway (A300).
