

Flat Rocks Wind Farm Stage 1

Community Fund Guidelines

March 2024

Introduction

The Flat Rocks Wind Farm Stage 1 Project, owned by Enel Green Power, will consist of the construction and operation of 18 wind turbines and the related civil and electrical infrastructure. The project site spans the shires of Kojonup and Broomehill-Tambellup, in the Great Southern Region of Western Australia. Construction of the project commenced in 2022 and it's anticipated for the project to be fully operational in 2024.

Enel Green Power Australia is committed to financially supporting the local Kojonup, Broomehill and Tambellup communities through the Flat Rocks Wind Farm Stage 1 (FRWFS1) Community Fund.

The aim of the fund is to support non-profit organisations in and around the FRWFS1 project area by funding projects, that benefit the broader community.

The Flat Rocks Wind Farm Stage 1 Community Fund will comprise of \$75,000 each year shared across the Kojonup and Broomehill-Tambellup Shires, for the life of the project.

This document sets out the Guidelines for the administration of the FRWF Stage 1 Community Fund.

Key Aims

The key aim of the Community Fund is to enable local not-for-profit groups, organisations and projects to make a positive and enduring contribution to the local community.

Assessment of Applications

The process for the assessment of all applications for funding is as follows:

1. Applications acknowledged via email;
2. Applications assessed for eligibility against the criteria. Applications that do not meet the criteria will be notified via email;
3. Applications meeting the criteria will then be forwarded to the FRWFS1 Community Fund Committee for formal assessment;
4. FRWFS1 Community Fund Committee will be given 3 weeks to review applications before a special assessment meeting will be convened to determine applications;
5. Applications will be assessed against the assessment criteria;
6. The Community Fund Committee recommends successful applicants and the final approval is at Flat Rocks Wind Farm Stage 1 discretion.
7. Applicants will be notified of the outcome of the application by email and/or telephone.
8. Successful applicants will be sent a Letter of Offer and a Community Fund Participation Agreement (CFPA). This contract is between the FRWFS1 and the applicant outlining the approved funding and payment terms and conditions. A draft copy of the CFPA can be seen in Appendix 1 of this document.

9. Once this is signed and returned, the successful applicants will need to submit a tax invoice to Flat Rocks Wind Farm Stage 1

Implementation of a Project following Funding

It is a requirement that all projects must be implemented within 12 months of receiving funding or an alternative timeframe outlined within the CFP. A required completion date will be notified within the CFP.

It is anticipated that all projects will be implemented as per the application.

If the project is delayed, a revised timeframe must be requested in writing. This will be reviewed and where possible a revised timeframe will be provided by variation to the CFP. If a variation is not requested or unable to be provided, all unspent funds must be returned to Flat Rocks Wind Farm Stage 1 within 30 days from notification.

Successful applicants can reapply for funding in subsequent rounds if they have successfully completed past projects and all reporting requirements. Failure to comply with this requirement may impede future applicants from applying for funding under future rounds.

Governance and Administration of the Community Fund

The Committee will be appointed to evaluate all applications and to determine how best to distribute funds. The aim is to maximise long-term benefits for communities within and around the wind farm.

A panel of 3-5 civic-minded committee members will take up to 30 days to choose the successful applicants. The Community Fund Committee will comprise of 1 representative from Enel Green Power Australia, 1 Broomehill-Tambellup Shire representative, 1 Kojonup Shire representative, plus option for 1 community representative from each Shire to be nominated.

The Committee members will review applications received at the end of each round, and will meet within 4 weeks of application term to select successful applications.

Reporting and Evaluation

A Final Report will be required to be completed. A copy of this will be provided to all successful applicants at the time funding is provided.

The report must include sufficient evidence of expenditure (such as receipts, etc.).

Acceptance of these Guidelines

By submitting an application to the FRWFS1 Community Fund, you acknowledge you have read and understood the information and requirements provided in these Guidelines. Furthermore, that if you are successful in receiving a grant and do not adhere to the reporting requirements you may be required to return the funds to FRWFS1 and/or may forfeit being able to apply for future grants.

Acknowledgement of Flat Rocks Wind Farm Stage 1

Successful applicants will be required to acknowledge the financial support provided by FRWFS1. The specific requirements for acknowledgment will be agreed upon when funding is awarded. These could include displaying logos in project material, acknowledgement in media releases, newsletters or placement of plaques, signage etc. with costs covered in the project budget. FRWFS1 must approve the final wording and layout for any form of recognition to be used.

Review of these Guidelines

It is intended that the guidelines be a living document that may be modified after regular reviews by FRWFS1 to ensure that the Community Fund remains current and focused on achieving its key aims and is administered effectively and efficiently.
