Potentia Energy Background:

Potentia Energy (previously Enel Green Power Australia) is a joint venture entity co-owned by Enel Green Power and INPEX. At the time of release of this document, Potentia Energy is currently operating over 800 megawatts (MW) of renewable energy assets across Australia, with construction underway on a further approximate 200 MW of capacity. Potentia Energy has rights secured for a development pipeline of over 9 GW across Australia and is committed to an ambitious growth agenda, targeting a significant increase to its installed capacity across wind, solar, storage and hybrid projects across Australia. Potentia Energy is committed to accelerating Australia’s energy transition, driving the potential for a sustainable future.

Project Background:

The proposed Tragowel BESS Project is at the early stages of planning and design iterations. The proposed project is being developed by Potentia Energy, with support from Green Swith Australia and appointed specialist consultants. Technical development assessments required in preparation to lodge a Planning Application are currently underway. The consent authority for the proposed project is the Victorian Government Department of Transport and Planning (DTP).

Subject to obtaining the necessary approvals, the proposed Tragowel BESS project would comprise of a 200 MW / 800 MWh utility-scale energy storage project, located approximately 7 kilometres south of Kerang, within the Shire of Gannawarra. Sited close to the Kerang Terminal Station, this strategic location ensures strong connectivity to the local electricity grid, making it a crucial infrastructure project for the region. Construction of the proposed project is targeted to commence in 2027, with operations due to begin in 2029.

Introduction:

Tragowel BESS takes all complaints seriously and aims to acknowledge and resolve complaints in a timely manner.

What is a complaint and who can make a complaint.

Document name: Tragowel BESS – Complaints Handling Procedure

Revision no: V0001

Uncontrolled when printed

An Enel Green Power and INPEX Company

A complaint is an expression of dissatisfaction made to or about Tragowel BESS, related to its services or staff, where a response or resolution is explicitly or implicitly expected or legally required.

We acknowledge that anyone has a right to lodge a complaint and we will ensure that all the complaints we receive will be managed respectfully, objectively, and efficiently. At times, clarification may be required regarding whether a stakeholder is lodging a complaint rather than an enquiry.

How to lodge a complaint

- Project webpage Complaints portal: [Potentia Energy | Complaints portal](#)
 - select "File a complaint"
 - select "Complaint" as the Type
 - select the relevant project from the drop down menu
- Email: tragowelbess@potentiaenergy.com.au
- Call: 1800 841 640
- Writing to Potentia Energy: Suite 23.05, One International Towers 100 Barangaroo Ave, Sydney NSW 2000.

What happens after a complaint is lodged

Where complaints are received in person, via telephone or email, we aim to provide an acknowledgement and initial response immediately if possible, or the next working day. Where complaints are received by post, we aim to provide acknowledgement and initial response within five working days.

Following this, the project team will assess the complaint and coordinate an investigation (if required) and propose resolution measures. We aim to communicate the results of investigations and proposed resolution measures within five working days.

Communication of the resolution should typically include:

- actions taken in response to the complaint
- outcome(s) of the complaint
- rationale for any decisions made
- proposed resolution
- request for feedback from the complainant as whether the information provided has resolved their complaint, and
- information on escalation options available to the complainant if required.

Further investigation of complaints

Where a complainant believes a complaint has not been resolved satisfactorily, the following escalation pathways may be explored:

Gannawarra Shire Council

- Website: <https://www.gannawarra.vic.gov.au/Contact-Us>
- Email: council@gsc.vic.gov.au
- Phone: 03 5456 5222
- Post: PO Box 287, Kerang Vic 3579

Office of the Australian Energy Infrastructure Commissioner

- Website: www.aeic.gov.au
- Email: aeic@aeic.gov.au
- Telephone: 1800 656 395
- Post: PO Box 24434 Melbourne VIC 3001

Environmental Protection Authority Victoria

- Website: www.epa.vic.gov.au
- Email: info@epa.vic.gov.au
- Telephone: 1300 372 842

Complaints Register

All complaints will be recorded within an internal Project Complaints Register. This register may be made publicly available and may be provided to regulatory bodies as appropriate. Personal information will be stored and shared in accordance with relevant privacy legislation.

The Complaints Register will include the following details:

- the complainant's name and address (if provided)
- the time and date of the incident
- a receipt number for each complaint
- a description of the complainant's concerns
- the process for investigating the complaint, and the outcome of the investigation, and
- the actions taken to resolve the complaint.
