

Price Stability You Can Count On.

Potentia Energy Fixed gives your business a predictable energy price. By locking in a predetermined rate, you're protected from wholesale market fluctuations, making budgeting and forecasting simpler and more reliable.

Recognising that not every business is ready for 100% renewable energy or long-term commitments, this product includes mandatory Large-scale Generation Certificates (LGCs)* matched to your energy consumption, helping ensure compliance with confidence. Potentia Energy is a values-driven Australian business. Our team works as an extension of yours, partnering with you to make energy easy.

-  **Fixed price for up to 3 Years**
-  **Includes mandatory LGCs under the RET**
-  **Shields your business from wholesale market volatility**
-  **No surprises, just stability**
