

## Energy purchasing aligned to your strategy.

**Potentia Energy Flex** offers your business the control to purchase energy at intervals throughout the contract rather than locking in a fixed price upfront. This approach allows you to take advantage of market fluctuations and align energy purchases with your business strategy.

At Potentia Energy our team is here to support your business. We take the time to understand your business and together create innovative ways to make real change.

Take charge of your energy purchasing with a progressive approach.

- 
**Strategic purchasing**
- 
**Enhanced flexibility & visibility**
