

Your Business. Our Renewables. Australia's Future.

▶ future

Power your operations with **Potentia Energy Future**. With energy matched from our renewable assets, plus 100% Large-scale Generation Certificates (LGCs) for every Megawatt Hour (MWh) used by your business.

With Potentia Energy, you're guaranteed renewable-only assets, giving you confidence your energy is driving Australia's transition to a sustainable future. You're not just reducing your emissions—you're supporting local communities and contributing to Australia's transition to a cleaner energy future.

Become more than a customer— a partner, supported by a dedicated Account Manager and experienced team every step of the way.

- 
100% certified renewable energy
- 
100% LGC's matched to your energy usage
- 
100% of your usage will be matched from a renewable source
- 
Meets emissions reporting frameworks
